

End of Support for TMS

[Back to Support Notices](#)

ACS Technologies is retiring TMS in order to make way for ACS Facility Scheduler. On August 31st, technical support for TMS will be limited to helping you upgrade to the latest version of ACS Facility Scheduler.

If you'd like to learn more about ACS Facility Scheduler, visit our [product page](#), browse [help articles](#), and [release notes](#), or check out our [video training library](#). Or, if you'd like a more relaxed approach, just call us at 1-800-669-2509. We look forward to assisting you!
