

# Advanced Search

You can search for individuals using a combination of search criteria on the Advanced Search page. The criteria include activities, classes, small groups, birthdays, addresses, member statuses, user-defined fields, and comments.

You must have appropriate rights to access advanced searches.

## To access Advanced Search

1. Point to **Directories**, then click **Advanced Search**.
2. Click on one of the links to expand your search, then click **Next**.
