

# Church Life - September 2013

With the September 2013 release of ACS Church Life, we have made the following enhancements:

## Note

You will need the appropriate security rights to access the enhancements listed below.

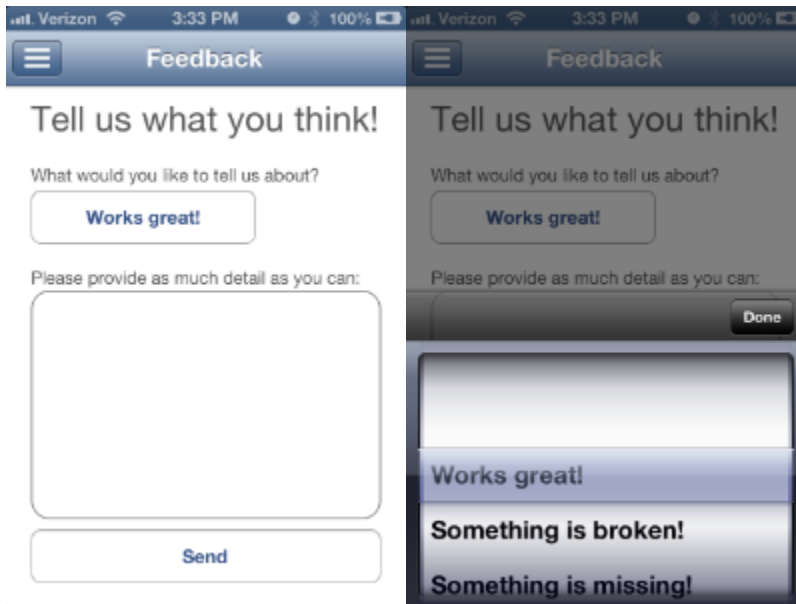

## Calendar

- ✓ Church Life users can now view calendar events that are built into their church's Access ACS calendar.

## Feedback

- ✓ The Church Life app now allows users to submit feedback to ACS directly from their device.

## Password

- ✓ Church Life users can now change their expired password when logging in.
