

Manage Surveys

You can [create custom surveys](#) and [assign them](#) to your parishes and facilities. Once they reply, you can [analyze the responses](#).

Useful Information

To send the surveys, you must first complete the [web service setup](#). On the Parishes & Facilities tab, click **Data Transfer > Set up the Web Service Information**.

To view surveys, navigate to **Parishes & Facilities > Surveys**. Pick a topic below to see more information.

- [Create Surveys](#)
- [Assign Surveys and View Responses](#)
- [Analyze Survey Responses](#)
