

# Sign into Broadcast

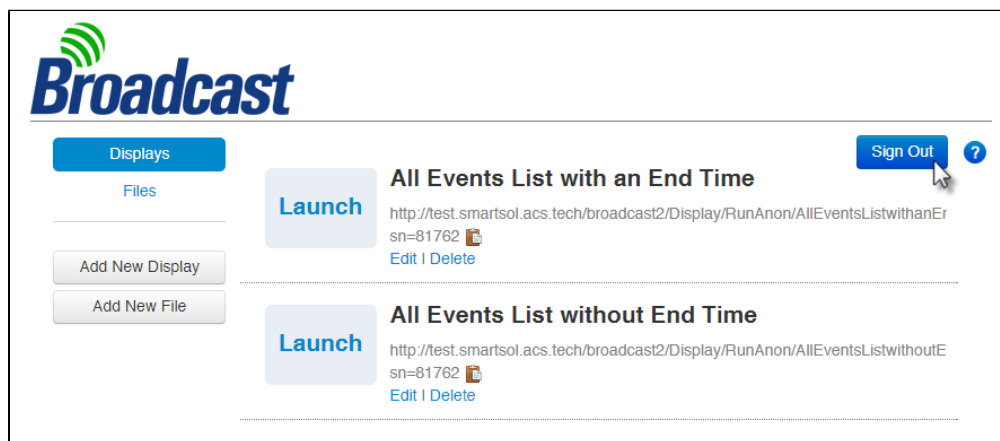

Use your organization's site number and your ACS Facility Scheduler username and password to log into Broadcast.

Once you're logged in, you can [add files](#), [set up displays](#), and [launch displays](#).

To log in:

1. Navigate to the [Broadcast Sign In Page](#).
2. Enter your **Site Number**, **Username**, and **Password**.
3. Click **Sign In**.

To sign out or switch logins, click **Sign Out**.

The screenshot shows the Broadcast application interface. At the top left is the Broadcast logo. Below it is a navigation menu with 'Displays' and 'Files' buttons. To the right of the menu is a 'Sign Out' button with a help icon. The main content area displays two event lists. The first list is titled 'All Events List with an End Time' and includes a 'Launch' button, a URL, and 'Edit | Delete' options. The second list is titled 'All Events List without End Time' and also includes a 'Launch' button, a URL, and 'Edit | Delete' options.
